

MARCH II + MEM JOINT DEGREE PROGRAM

MEM to March II Pathway
Program of Study: begin at YSE

YSOA YSE Elective

MARCH II + MEM is a three-year hybrid course and research path of study that is suitable for students who already have a first professional architecture degree. Students can expect to deepen their architecture practice with environmental knowledge and expertise and inform their environmental training with their architecture background. MARCH II is a post-professional degree and MEM is a professional degree.

1ST YEAR** † YSE MATRICULATION

FALL	
ENV YSE MODs: Self to System; Science to Solutions (late summer)	0
ENV 553 Perspectives: Environmental Leadership	3
ENV 511* Ecological Foundations for Env. Managers	1.5
ENV 512* Microeconomics Foundations for Env. Managers	1.5
ENV 521* Physical Science Foundations for Env. Managers	1.5
ENV 522* Human Science Foundations for Env. Managers	1.5
ENV Specialization Core (1/2)	3
ARCH / ENV Specialization Elective (1/3)	3
ENV Professional Skills Modules (1/3)	0
TOTAL	15

SPRING

ENV Specialization Core (2/2)	3
ARCH / ENV Specialization Elective (2/3)	3
ARCH 4254B / ENV 643 Joint Degree Research Colloquium (recommended in first year)	3
ARCH / ENV Elective	3
ARCH / ENV Elective	3
TOTAL	15

SUMMER

ARCH 1062C Resources for Design Research	0
TOTAL	0

* YSE foundations courses may be waived

** must apply to YSE in Fall of First (1st) Year

† 15 credits max during YSE semesters (recommended)

2ND YEAR YSOA MATRIC.

ARCH Advanced Design Studio	9
ARCH 3072A Design Research I	3
ARCH / ENV Specialization Elective (3/3)	3
ARCH / ENV Elective	3
TOTAL	18

ARCH Advanced Design Studio	9
ARCH 3073B Design Research II	3
ENV Capstone or Independent Project	3
ARCH / ENV Elective	3
TOTAL	18

ARCH Summer Travel Course (early summer)	3
ENV Internship or Research Project (10–12 weeks)	0
TOTAL	3

3RD YEAR

ARCH 1121A Design Research III: Independent Studio Part 1	9
ENV Professional Skills Modules (3/3)	0
ARCH / ENV Elective	3
ARCH / ENV Elective	3
TOTAL	15

ARCH 1121B Design Research IV: Part 2	9
ENV Capstone or Independent Project	3
ARCH / ENV Elective	3
TOTAL	15

These templates should be used as an example of a path that a YSOA+E joint degree student could follow. Always review with advisors and registrars at each school and refer to YSOA and YSE websites for up to date information.

KEY CURRICULAR BRIDGE COURSES

Glue courses are courses that offer opportunities to bridge and integrate dual degree topics, research and work opportunities.

- MODs: Summer Orientations Modules
- YSE Internship / Research Project: Targeted Internships
- Research Colloquium Course
- YSE Capstone: Co-Advisors with YSE / YSOA

Electives: Updated CourseList

PROGRAM LEADERSHIP

YSE Faculty Director: Karen Seto
YSOA Faculty Director: Mae-ling Lokko
YSE Program Coordinator: Aicha Woods
YSOA Program Coordinator: Jen Shin
